

FROM CAPITALISM

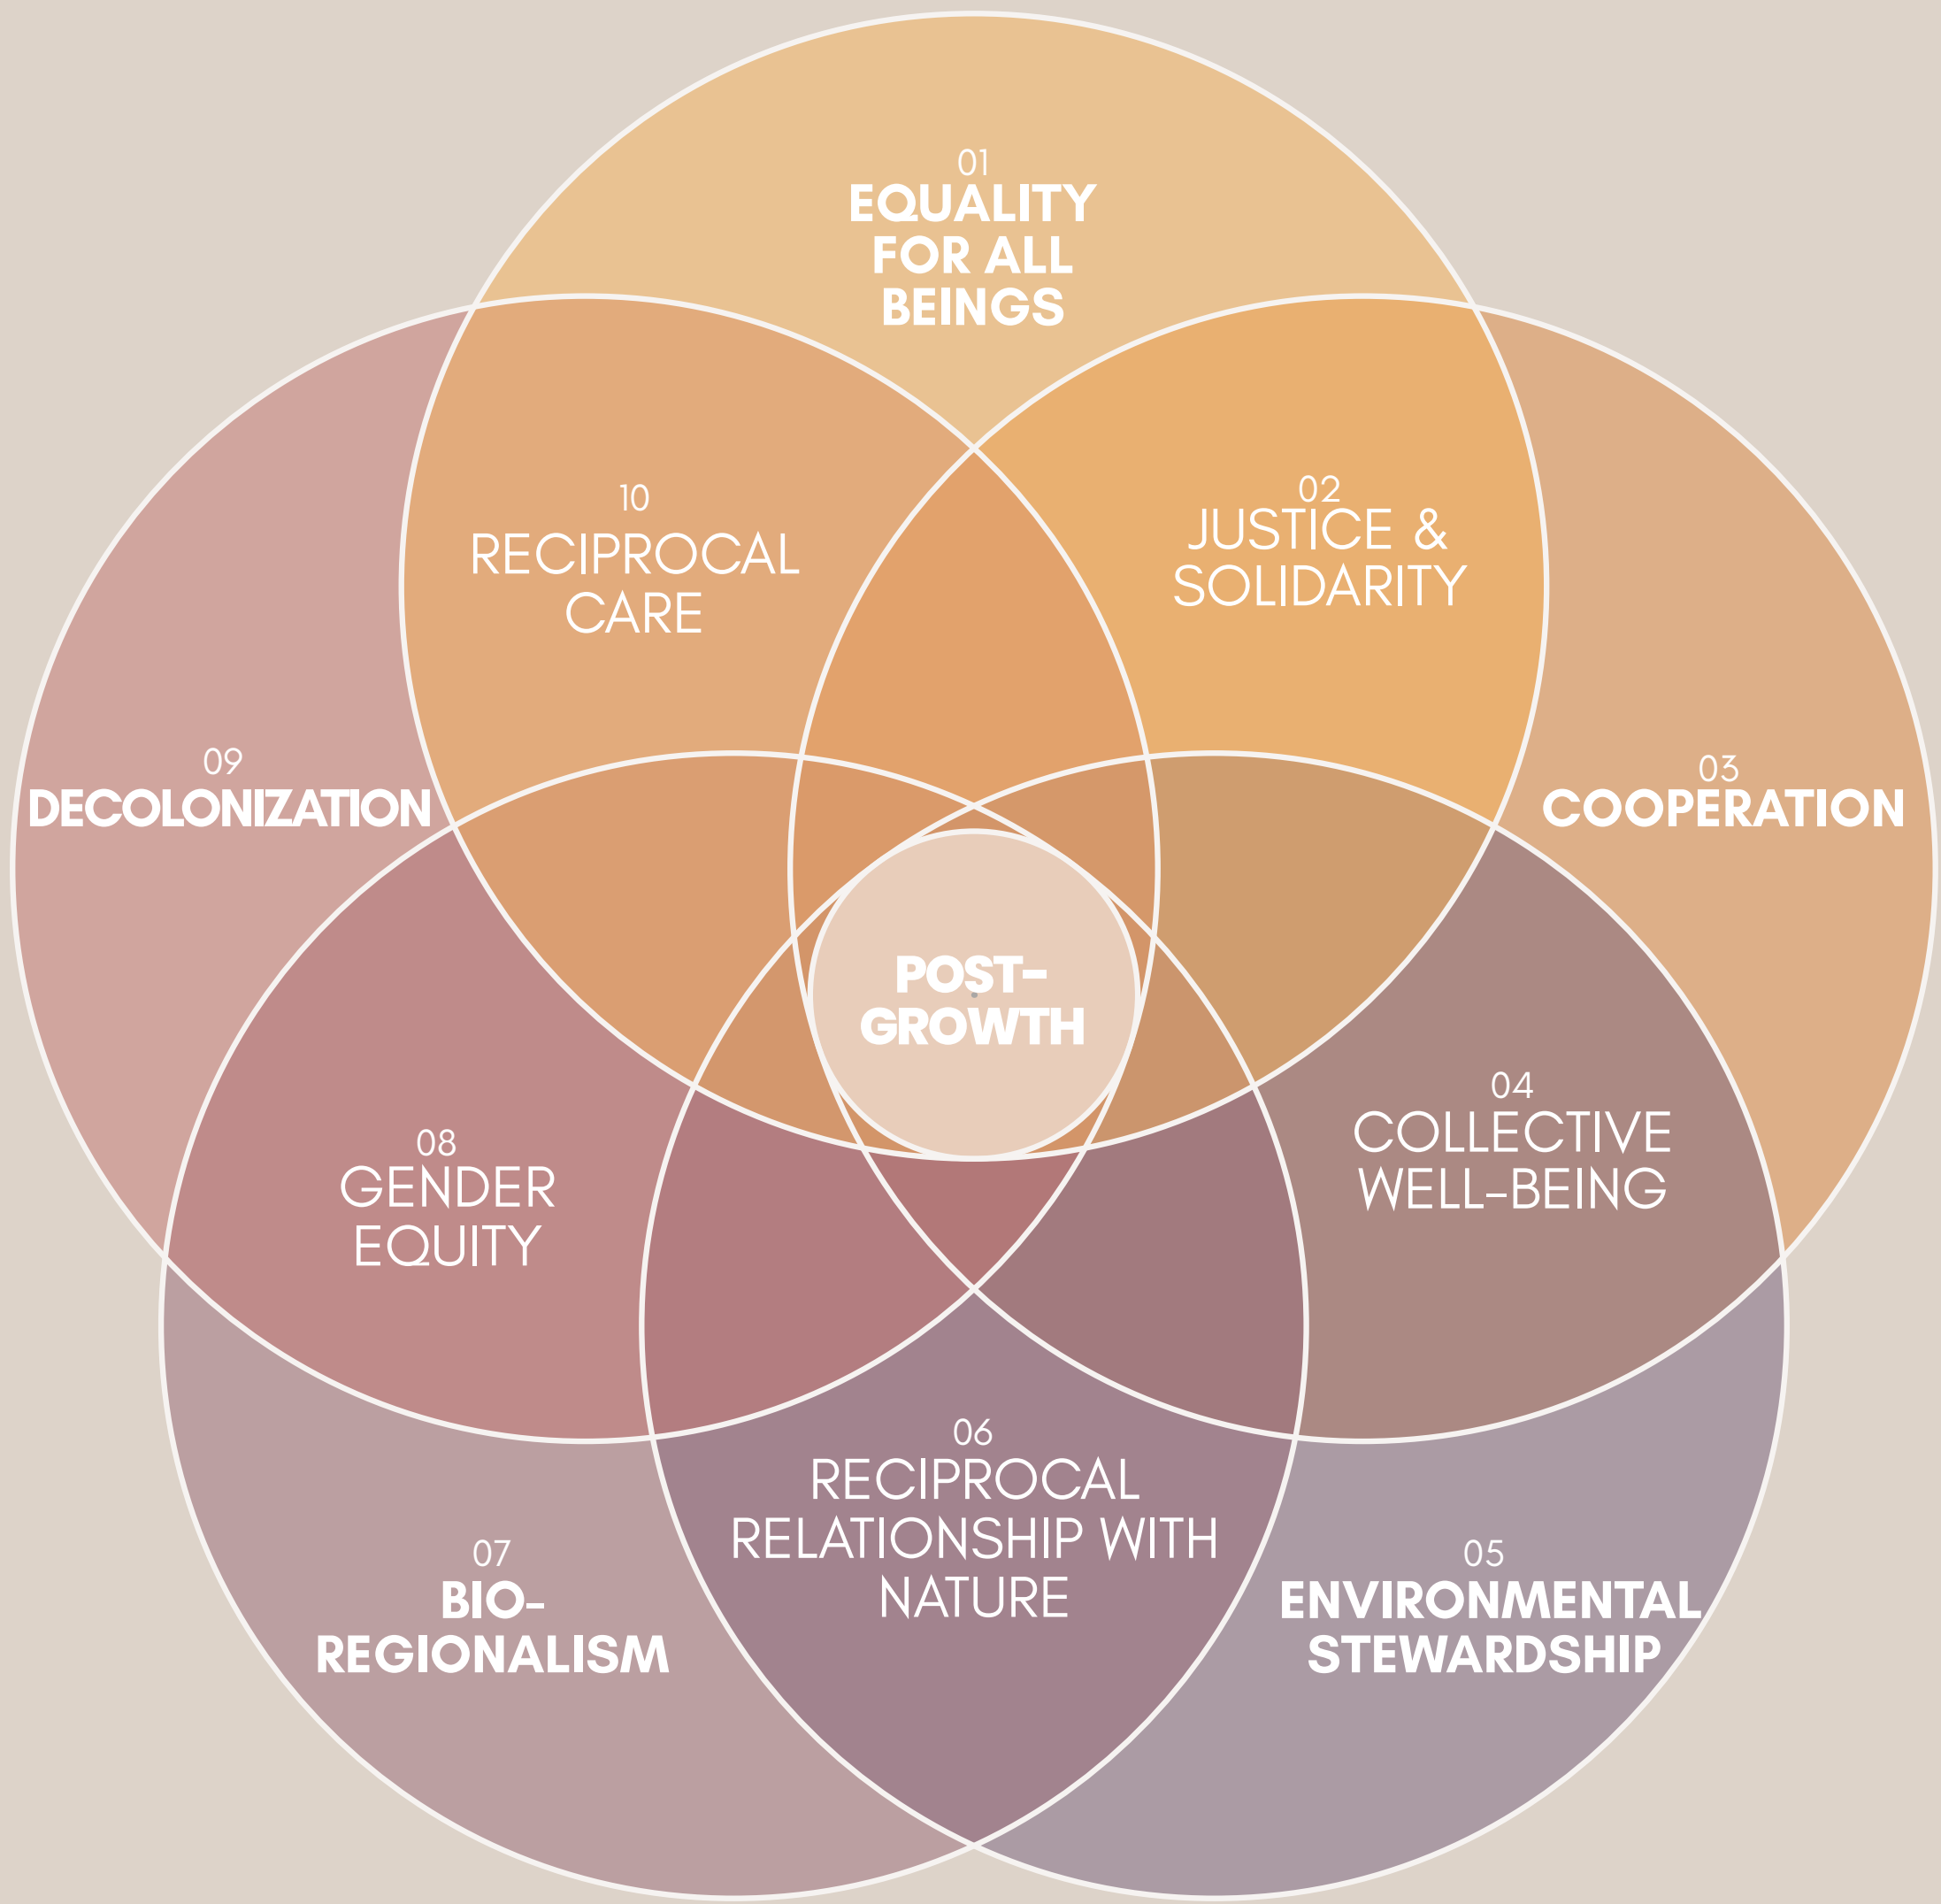

IT'S ALL CONNECTED
A system where each form of oppression reinforces and sustains the others.

- 01 RACISM**
Discrimination based on race, upholding inequality and systemic power imbalance
- 02 WHITE SUPREMACY**
The belief in white dominance, perpetuating racial inequities and colonial legacies.
- 03 HIERARCHY**
Social strata that privilege some groups over others, legitimizing dominance.
- 04 INDIVIDUAL OVER COMMUNITY**
Prioritizing personal gain over collective well-being, often fueling competition.
- 05 ENVIRONMENTAL TERRORISM**
Deliberate or reckless destruction of ecosystems, often tied to corporate or political interests.
- 06 MAN DESTROYS NATURE**
Exploitation of the environment for profit or convenience, leading to ecological harm.
- 07 SETTLER COLONIALISM**
Occupation and control of indigenous lands, erasing native cultures and sovereignty.
- 08 MISOGYNY**
Contempt for women, manifesting in everyday discrimination and violence.
- 09 IMPERIALISM**
Expansion of power through domination, subjugating peoples and resources abroad.
- 10 PATRIARCHY**
Male-centered power structures that marginalize women and non-binary people.

TO POST-GROWTH

IT'S ALL CONNECTED
A system in which each form of justice and care nurtures and strengthens the others, creating a foundation of shared well-being beyond growth.

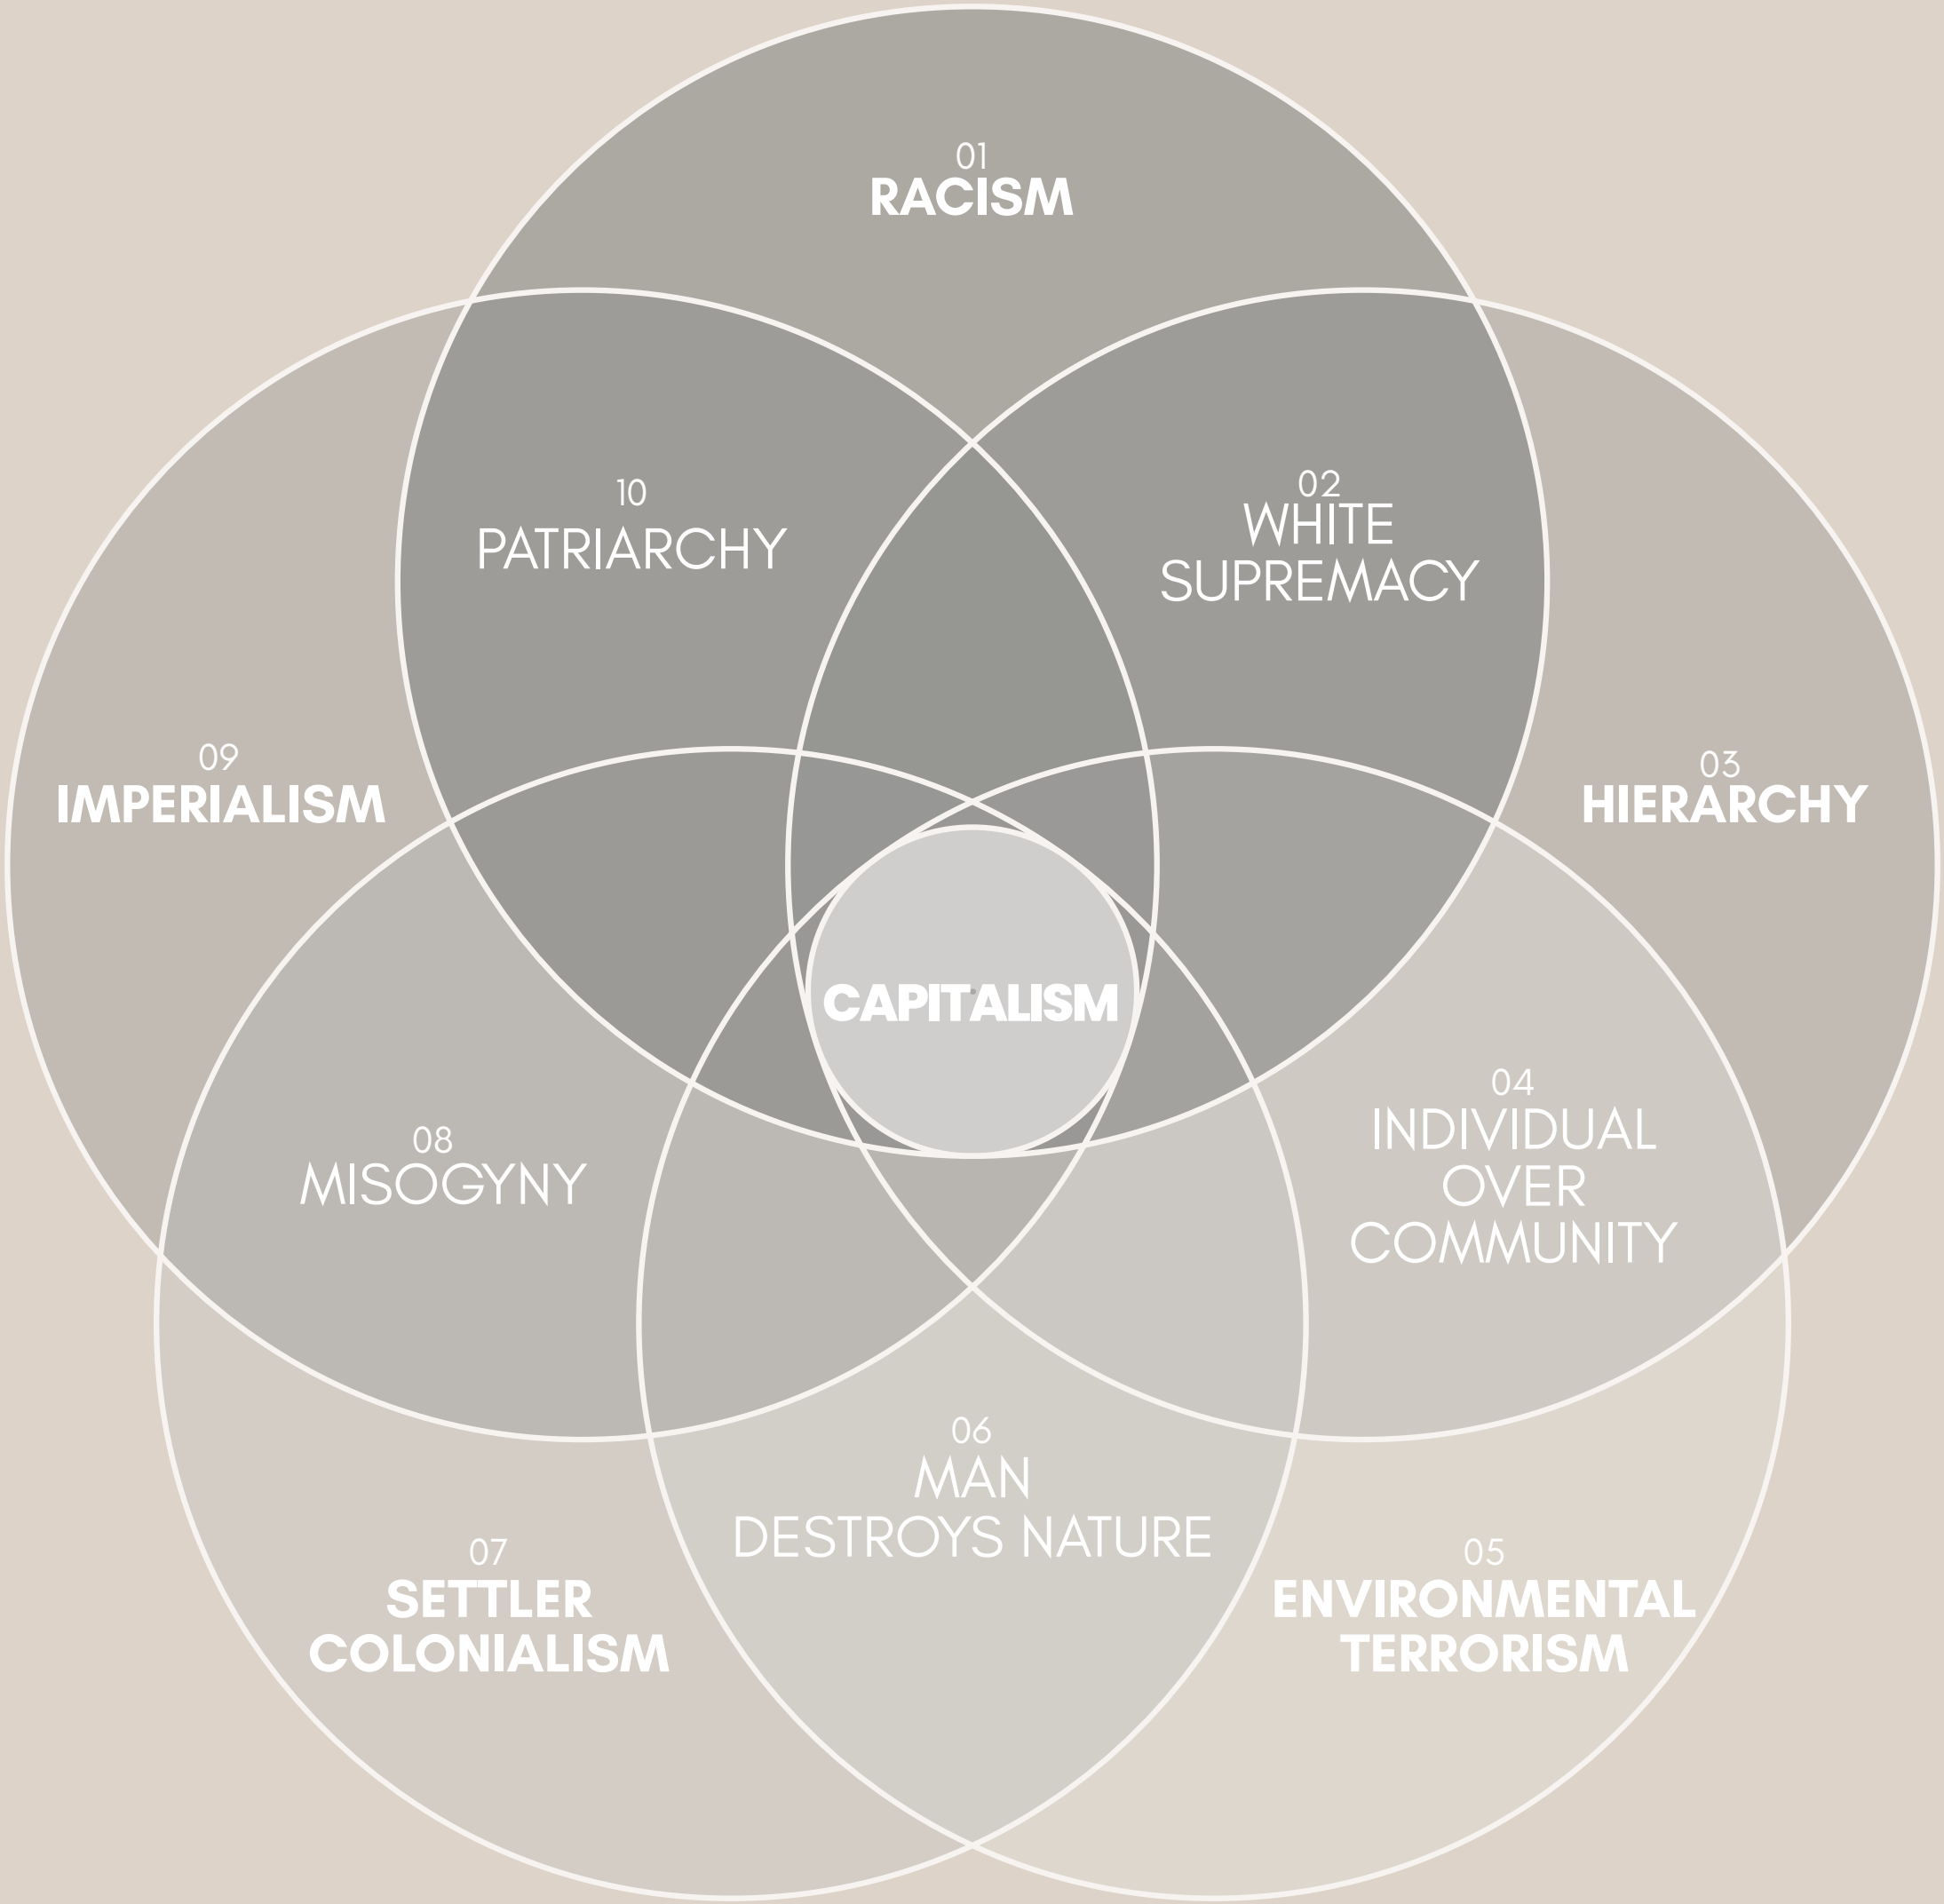

- 01 Equality for All Beings**
Uphold the inherent worth of every living creature, ensuring fair treatment and opportunities for all.
- 02 Justice & Solidarity**
Build equitable systems that resist oppression, uniting communities in shared responsibility and care.
- 03 Cooperation**
Foster collaborative decision-making and mutual support, forging strong, resilient networks of people.
- 04 Collective Well-Being**
Strive for societal flourishing, where everyone's basic needs and aspirations are recognized and nurtured.
- 05 Environmental Stewardship**
Safeguard ecosystems with respect and accountability, ensuring sustainability for future generations.
- 06 Reciprocal Relationship with Nature**
Recognize humanity's deep interdependence with the natural world.
- 07 Bio-Regionalism**
Center economies and lifestyles around local ecosystems, valuing place-based knowledge and regeneration.
- 08 Gender Equity**
Dismantle bias and barriers based on gender, promoting inclusive participation in all spheres of life.
- 09 Decolonization**
Challenge and undo colonial legacies, restoring Indigenous rights and celebrating cultural sovereignty.
- 10 Reciprocal Care**
Practice mutual responsibility, where giving and receiving support uplifts the well-being of all involved.
